Description

[Living in the Gunnison Valley](#)

Position Highlights

Gunnison Valley Health and Western Colorado University are seeking an Assistant Athletic Trainer to assist in the duties of sports medicine under the direction of the Lead Athletic Trainer.

Our Rehabilitation and Wellness experts provide the Gunnison Valley population with a diverse range of cutting edge services to keep our citizens healthy and well.

Where you'll live:

Some define happiness by their job title and salary, while others pursue quality of life. Our community combines the best of both worlds by fostering a growing outdoor industry business hub in the heart of Colorado's Rocky Mountains. The Gunnison Valley, which includes the towns of Gunnison and Crested Butte, is a vibrant community of entrepreneurs and adventurers. We are deeply connected with our surrounding environment, neighbors and growing community. This is the kind of place where hard work is rewarded, whether that means a day on the mountain or at the office.

Benefits:

Here at Gunnison Valley Health, your good work will be rewarded. In addition to a competitive salary, a generous and affordable medical/dental/vision plan, and a matching 401(a) there are other great perks including:

- A generous health insurance plan that includes unique benefits like the Lifestyle Spending Account, and a company matched Dependent Care Spending account.
- A Culture of continuous learning and innovation, backed by an excellent tuition reimbursement program.
- A company matched retirement plan that starts on day one!
- Work/Life balance in an outdoor enthusiast's mecca
- No traffic, and a scenic commute to the office

Minimum Qualifications

- Bachelor's Degree in Athletic Training, the program must be accredited by the Commission on Accreditation of Allied Health Education Programs
- Two years of experience preferred, (new grads will be considered)
- BOC Certification in Athletic Training

Duties & Responsibilities

- Provide daily athletic training services to student-athletes as directed by the Athletic Trainer
- Documentation of all injuries, treatments, and return to play progressions
- Injury prevention management and treatment
- Develop and utilize injury prevention strategies for student athletes
- Design and fabricate protective equipment and apply appropriate taping/wrapping to support extremities and prevent further aggravation
- Assist in the coordination and administration of the substance abuse education program, and the mental health and wellness program.
- Assist with the operation of the athletic training department

Knowledge, Skills, and Abilities

- Excellent verbal and written communication skills
- Ability to multi-task with frequent interruptions
- Dedication and motivation to initiate, lead and support value-added projects
- Self-motivated and results-oriented
- Demonstrated ability to develop and maintain positive interpersonal relations
- Demonstrated ability to communicate effectively with individuals at all organizational levels, and project a positive, professional attitude

Compensation: \$22.52 - \$28.52/hour DOE

Benefits Eligibility:

Medical, dental, vision, healthcare FSA, dependent care FSA, and Lifestyle Spending Account: All active employees working 40 or more hours per pay period in a Full Time or a Part Time position are eligible for benefits on the first of the month after hire.

Life and AD&D insurance: All active employees working 40 or more hours per pay period are eligible for benefits on the first of the month after hire date.

Short term and long term disability: All active employees working 60 or more hours per pay period are eligible for benefits on the first of the month after hire date.
